Individuelle Schokoladenformen

Um im heutigen Markt zu bestehen, ist ein einprägsamer Markenauftritt besonders wichtig. Machen Sie als Chocolatier Ihr Produkt unverwechselbar – mit Ihrer eigenen Schokoladenform. Mit uns können Sie Gießformen nach Ihren Vorstellungen realisieren – zum Beispiel mit Ihrem Logo.

Die Schokoladenformen werden aus hochwertigem, zertifiziertem Material in Profi-Qualität gefertigt.

Custom Chocolate Moulds

To succeed in today's market, a memorable brand identity is particularly important. As a chocolatier, make your product truly unique – with your own chocolate mould. We can help you create moulds tailored to your specifications – for example, featuring your logo.

The molds are made from high-quality, certified materials of professional grade.
